The Party You Don't Want to Miss

Join us if you dare for the 17th Bone Bash...a good cause, masquerading as a good time! The Arthritis Foundation will bring the community together to honor members of the arthritis community for their service to local arthritis patients. Join us for the Arthritis Foundation's signature costumed affair featuring spooky decorations, a themed dinner, costume contest, silent and live auctions, and spirits. Proceeds support the Arthritis Foundation's research, advocacy and public health programs.

Audience

The Bone Bash will attract over 300 corporate and medical partners, physicians, donors and volunteers of the Arthritis Foundation. The program will be marketed through invitations, the Bone Bash website, the Arthritis Foundation website and social media posts.

The Need

Arthritis is a serious and growing health crisis, striking one in every three adults in the U.S. and an estimated 300,000 children. Over 2.7 million children and adults in the Ohio River Valley market are impacted by arthritis. Arthritis currently costs the U.S. \$128 billion annually and is the leading cause of disability. The Arthritis Foundation is the largest and most trusted nonprofit organization dedicated to conquering the challenges of people with arthritis, the nation's leading cause of disability.

Arthritis Foundation

The Arthritis Foundation is focused on finding a cure and championing the fight against arthritis with life-changing information, advocacy, advancements in science and community. The mission of the Arthritis Foundation is to improve lives through leadership in the prevention, control and cure of arthritis diseases.
